(One-Shot, what-if, rated K just to be safe)

## Yu-Gi-Oh! Arc-V: A Lingering Shadow

\*\*Can't remember if this was spawned from "A Crazed Awaking" but I DO know that this was inspired by the cover picture.\*\*

><strong>This is set sometime after the Duel with Yuya and Isao<strong>\*\*.

><strong>

\*\*This is sorta like a what-if, you know?\*\*

\* \* \*

><p>Yuya was in the quite the pinch, Odd-Eyes was removed from play, and his opponent was ruthless in their attacks, Spell Card after Spell card...<br>Was there no end!?

"I draw!"

He hoped that this card he drew would be the shinning light to this darkness...

"D-Dark Rebellion...? How will this help me-?"

The teen's eye widen as he felt a heavy presence on his shoulders, it's voice was like a whisper despite the booming angry undertone.

"Kill... everyone... Destroy... everything..."

It was Yuto, his soul resurfaced after Dark Rebellion was drawn, but

something was wrong... Yuto was never like this, this is the 2nd time Yuto has appeared in Yuya's mind, the first time was with Isao Kachidoki...

Yuto's grip tighten.

"\*\*KIL\*\*l... ever\*\*YONE\*\*... \*\*DEST\*\*ory...  
\*\*EVERYTH\*\*ing..."

Suddenly, everything started to become hazy and Yuya couldn't stand straight, besides the burning feeling in his chest, he also had this pounding pain in his head. He slowly felt his grip on reality slipping away... almost like drifting into sleep, plus the pain that just seemed to intensify as his senses dulled.

\*\*\*\*\*Let me in....\*\*\*\*\*

The voice sounded oddly familiar... or was he just talking to himself...?

\*\*"Let me in... I'll make the pain go away...\*\*

\*\*"..."\*\*

\*\*"Yes... very good..."\*\*

Everything went dark.

>The last thing that was heard was the roar of a <strong>Dragon</strong>, and the scream of a \_familiar female\_ voice.

\* \* \*

><p>Aaaaaaaand that's that!<br>So, what did you guy think? Besides how short is it. X"D
